**Re: Cancelled grazing permit no. GP 22843.
Required easement application for road in Sec. 36, T15S,
R11E, SLB&M.**

Dear Harold:

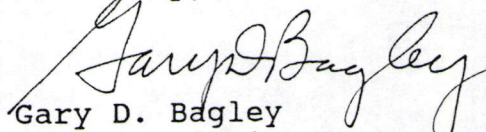

I need to speak with you by the 22nd of July, about the above-referenced items.

GP 22843 was cancelled for non-payment on June 8, 1992. You will need to submit \$308.91 and a written request to reinstate the permit. We must receive this in our office by August 7, 1992.

Regarding use of the road leading to your clay mining operation; you need an easement for the portion of the road on State land. You were informed by the Division of Oil, Gas, and Mining, that you needed to apply for an easement. Your application needs to be made immediately.

It is urgent that you call me within the week. Thank you.

Sincerely,

Gary D. Bagley
